From

M. R. Ry. K. BRAHMASASTRULU GARU,

President Taluk Board,

BELLARY.

To

THE ecretary to the Government,

Local elf Government department,

A d a s.

Sir,

ith reference to [illegible] f Government order o.20[illegible] d d [illegible], I have the honour to submit that the amount [illegible] d deficit at the end [illegible] n subject to revision after the [illegible] revised budget for the year 1 4--25. I [illegible] that this deficit o [illegible],4 [illegible] by taking a loan from the endo nt [illegible] and a balance of s.7,70/- on 1 -.4. but I have to bring to your kind notice that no separate banking account is kept for the endowment funds. This is incorporated in the general revenues of the boards and they will be in a position to pay or end [illegible] of the Board. A sum of s.1,000 - has been spent on this account up to date and the remaining amount of s.6,70[illegible] - is due to this account from the Board's general revenues. So including this account the probable deficit at the end of this official year would amount to s.11,11[illegible] -. I therefore request that the Government will be pleased to make a grant of this sum to this Board.

2. In this connection I beg to state that I feel disappointed to find that the Government has not

was not pleased to give to this Board compassionate grants although I represented several times, whereas very liberal grants were given to the District Board and to all the other four Taluk Boards as per list enclosed in the district. The better to do and the worse to do Boards have received help with the only exception of the Bellary Taluk Board. I am not in a position to know on what basis the Government was pleased to look upon my requests with disfavor. This Board has leviedtaxation to the maximum limit and has suffered equally with the other boards in the matter of readjustment made by the Government of the excess landrevenue credited in previous years. This Board too needs to be shown the same sympathy as was done to the other boards in the district. I shall once more urge my request that the Government would kindly consider the situation of this Board and come to its aid as otherwise the affairs of the Board would become unmanagable.

I have the honour to be,

Sir,

Your most obedient servant,

K Ramanand,
For President.

ORDER.

No. ....., dated 12/12/1924

The Bellary TK Bd had on 1-4-24 an actual balance of (minus) Rs 11,992 under the General Account and a balance of Rs 7,708 under the Endowments Account. According to the budget estimate of the TK Bd for the current year as approved by Govt, the deficit of Rs 11,992 under the Genl Account will be reduced to Rs 4,403 as shown in the appendix to this order. The President's assumption that the deficit at the end of the

current year will be Rs 11,111 is not correct as the anticipated deficit of Rs 4,403 is arrived at without appropriating any amount from the balance under the Endowment Account. The TK Bd will have a credit balance in the Treasury at the end of the current year as the estimated deficit of Rs 4,403 under the General Account will be covered by the balance under the Endowments Account. The Bd can easily make good the diversion of the balance under the latter account from its surplus in the next year. The Govt are not prepared to make a compassionate grant to this TK Bd.

2 With reference to the statement of the P.T.B that the anticipated deficit of the Bd for the current year is subject to revision after the revised estimate is prepared, he is informed that the TK Bd should not on any account spend money
